

RISING REDMEN BOYS BASKETBALL 2018-19

BUCYRUS BOYS BASKETBALL CITY LEAGUE

GRADES APPLY TO GRADES PLAYERS WILL BE IN FOR THE 2018-19 SCHOOL YEAR

In hopes to increase our Boy's Basketball Little League involvement, we are going to create a Bucyrus City League Basketball program. We will split the groups into two sets of athletes. We will have 3rd and 4th graders play together; and, the 5th and 6th graders will be on the same team. We are hoping to have at least 40 athletes in both grouping of athletes. We will create the teams based off of a tryout to make the teams even. We will split the athletes on different teams, and we will play a regular season with those teams.

PRACTICE TIMES WILL VARY. Once we get coaches, we will give each player a call, and tell them which practices to attend and who their coach will be.
